Dear Principal Investigator

RE: Letter of permission to conduct a study on Energy and Device Data collection in Healthcare Facilities in Malawi

On behalf of Mzimba South District Health Office, I confirm our support and permission for you to conduct a study in Mzimba South under the title; **Energy and Device Data collection in Healthcare Facilities in Malawi**

The district health office hopes that the study findings will help to learn how data concerning energy is being collected and utilized in the healthcare facilities.

This support letter also compels you to come back and disseminate the findings of the study to the research committee and the District Health authorities.

The research committee, therefore, confirms support to this study to its best ability.

Yours faithfully

Dr Prince Chirwa
