EDUCATION

ETH — *Zürich, CH*
MSc in Mechanical Engineering — *since 09/2023*

- Semesterproject at GHE: Volumetric flow meter development for household scale biogas reactors
- Course on Interdisciplinary Product Development: Development of a seating aid for public transport in collaboration with industrial designers
- Course on linear and non-linear FEA: Included coding assignments in python

ETH — *Zürich, CH*
BSc in Mechanical Engineering — *09/2019 - 12/2022*

- Major in Design, Mechanics and Manufacturing
- Bachelor Thesis: 4D Printed Multistate Shape Memory Bilayers
- Focus Project Freelancer at AMZ Racing: Responsible for the aerodynamics PGE workpackage (see portfolio)

KSHP — *Zürich, CH*
Highschool, Matura — *08/2012 - 08/2018*

PROFESSIONAL EXPERIENCE

Tribecraft — *Zürich, CH*
Intern Mechanical Engineering — *09/2024 - 01/2025*

- Engineering Design and Product Development

ETH — *Zürich, CH*
Teaching Assistant EDMS — *09/2022 - 01/2023*

- Engineering Design and Material Selection
- Supporting students in learning Siemens NX and Ansys Granta EduPack
- Providing and implementing feedback about the new course structure

Amag Import — *Kloten, CH*
Car Explainer — *since 07/2022*

- In person customer education and consultant on e-mobility

Bowlz AG — *Zürich, CH*
Bike Courier — *02/2022 - 09/2022*

- Food delivery by bike

Gebr. Maag AG — *Küsnacht, CH*
Internship as Mechanical Manufacturer — *10/2018 - 11/2018*

- Conventional turning, milling, drilling, bending and welding

Other part-time work or summer-jobs — *Zürich, CH*
Service Employee, Private Tutoring, Assistant to Facility Manager — *2016 - 2019*

OTHER

Swiss Military Recruit School — *CH*
Wheeled armored personnel carrier driver of the command squadron — *01/2019 - 05/2019*

ABOUT ME

I have strong communication and interpersonal skills and thrive as a team player while also being capable of working independently. I am quick to adapt to dynamic environments, a fast and curious learner, highly resilient and dependable.

SKILLS

Siemens NX • Advanced
Onshape • Intermediate
Arduino • Basic
Excel • Intermediate
Matlab • Basic
Python • Basic
Ansys • Basic

LANGUAGES

German • Mother tongue
English • Fluent (C2)
Spanish • Conversational (B2)
French • Conversational (B1)

HOBBIES

I like to kitesurf as much as I can. I also enjoy many other sports, including tennis, splitboard-touring, and ice hockey. Furthermore, I love going to concerts and listening to music in general.

NON PROFIT

- Foodsaver at Foodsharing Switzerland
