Dear Mr Mr Häussner,

**FEEDBACK ON ETHICS REVIEW OF PROTOCOL NO. P.07/25/995: DATA COLLECTION ON ENERGY SYSTEMS AND MEDICAL DEVICES IN HEALTHCARE FACILITIES IN MALAWI**

The National Committee on Research Ethics in Social Sciences and Humanities (NCRSH) reviewed your submission of the above referred protocol. The committee notes the following issues which need to be addressed:

**(i)** **Study sites:** The actual health facilities where the data will be collected need to be indicated.

**(ii)** **Ethics:** Indicate how the principles of privacy and confidentiality will be adhered to during the data collection process.

(iii) **Informed consent form:** The contact details of the committee need to be included in the consent form(s).

(iv) **Study participants:** Does the 1-2 people involved at the health facility also include the patients as detailed in the writeup?

(v) **Ethics approval:** The ethics approval from your university has not been submitted as stipulated from in the NCRSH checklist.

(vi) **Letter of support:** The following was noted with regards to the letters of support:

- ✓ The letter of support from MUBAS has not been submitted
- ✓ The letters of support/permission of entry for the health facilities have not been submitted as stipulated in the NCRSH checklist.

Please address the above referred issues accordingly and send only a soft copy of the revised version highlighting the areas where the changes have been made for an expedited review by the committee.

Yours Sincerely,

Yalonda .I. Mwanza
